Press Release

Wednesday, January 19, 2022

The Haliburton Highlands Arts Centre Foundation (HHACF) is very excited to announce its first Founding Corporate Sponsorship with Home Hardware Building Centre (Haliburton and Minden)! Dan & Emily Moulton, Dealer-Owners, Home Hardware Building Centre, have committed their company to become our first Founding Sponsor, with a donation of \$25,000 in 2022!

The Board of Directors of the HHACF would like to welcome Minden & Haliburton Home Hardware Centres to its growing list of individual, business, government, municipal and arts supporters.

This significant donation will help fund important activities the HHACF has planned for 2022, including follow up steps to the Feasibility Study being conducted by Janis A. Barlow & Associates. The study is scheduled to be completed by the spring of 2022, and the Foundation will publicize the results.

Dan & Emily Moulton, Dealer-Owners, Home Hardware Building Centre (Haliburton and Minden), also stated that “we are very pleased and committed to supporting the HHACF in its mission to build and operate a world-class performing arts centre in Haliburton county. We believe strongly in the economic impact that this project will bring to our region, and we would like to encourage all local companies and individuals to pledge their support in the coming year!”

Dan Manley, President of the Foundation, stated, “we are delighted to welcome Home Hardware as a Founding Sponsor for the HHACF in 2022! Word of the Foundation is spreading, but in these early stages, it’s donations like this that take our fundraising campaign to the next level. We hope that fellow business owners share in Dan & Emily’s economic vision for the Haliburton Highlands.”

The HHACF launched its sponsorship campaign in November 2021, with the distribution of a flier which outlines various levels of donations and recognition for individuals and local businesses.
